Mentone LSC Term 3 Swim Training for Adults and Nippers Monday Nights at Bayside Aquatic

The Mentone LSC Swim Training will start on 11 July. This training is for technique and conditioning and is meant for competent swimmers ages 9 to 90. We have moved to a new night and new location this term. Swimming this term will be on Monday nights and will be held at Bayside Aquatic in Mentone. Coaches for this term will be Joel Simondson and Hannah Schmidt. We will have Nippers and 1 lane of adults start at 7:45pm (for Parents swimming with Nippers). We will have additional lanes open from 8pm for the adults. We will finish up at 8:45pm for the Nippers and 9pm (for any adults that start at 8pm). This is great activity for adults and Nippers and is especially good for anyone preparing for their Bronze Medallion.

Casual cost will be 10 session in Term 3. Rate will be \$10 casual (per session) and \$70 for the term. There is a 50% discount for each family member beyond 2.

We have limited spots and we will reach capacity quite quickly. If any adults or Nippers want to take part please let Greg Schmidt gregoryschmidt@yahoo.com know.

Make Sure the Club is Locked When Activities are Finished

Just a reminder for club members, make sure to lock the building if you are the last one out including the balcony doors. Thanks to everyone for helping keep the club secure.
