Bay Trail Set To Begin Stage 2 Extension

Following a Ward Councillor's Meeting at the Parkdale Children's and Family Centre on 3 March, many residents spoke in favour of the success of the Stage 1 Bay Trail from Charman Road to the Mentone Life Saving Club citing improved safety, security and access to the foreshore.

The reconfiguration of the Naples Road Car Park above the Club will start the Stage 2 extension of the Trail towards Mordialloc. The dangerous road exit at the north end of the Car Park will be closed and the alignment of the trail at the edge of the Beach Road pavement will see the current Trail exit realigned to remove the current dangerous outflow of bicycle traffic into the existing car park that is causing a number of near miss potential accidents.
