

Mentone LSC Weekly Update 16 March

General Club News

Antarctic Information Night

Iceberger doctor Lesley Cadzow visits Antarctica each year via a small ship (50 people) from Argentina to the Antarctic. You are invited to hear tales and many slides as Lesley takes participants on an adventure.

Maybe you are interested to book a cruise (or get the grandparents interested) and plunge into the cold water or just come along and enjoy the evening.

The Bar will be open.
