Help with Winter Nippers Planning

This Winter Nippers season will have more focus on skill development and education (for Nippers and Parents). We will also be having more day trips to Anglesea to work in the surf. We would like to have involvement from coaches, parents and Seniors in creating this Winter Nipper Agenda. This includes anyone who wants teach surf skills (sand or water), nutrition, first aid, advice on personal training, etc. If you would like to help with the training and/or planning for this season of Winter Nippers please contact Greg Schmidt gregoryschmidt@yahoo.com.

Winter Nippers Starting Saturday May 14

Mentone LSC will have Winter Nipper sessions starting Saturday May 14. Time will 3pm to 5pm. These sessions are a great way to keep skills and fitness going through the winter and also provide a shared activity for parent and Nipper.

This winter we will also include some day trips to Anglesea.

Winter Schedule to be released by 20 April.

Any questions about Winter Training contact Greg Schmidt gregoryschmidt@yahoo.com
