

Mentone LSC Weekly Update 4 May 2017

General Club News

Mentone LSC Redevelopment News

The Victoria State Budget was just released and unfortunately Mentone LSC was not named as a club to get redevelopment funds this year. Though we are disappointed by the news, this will give us additional time to prepare for the eventual redevelopment.

A new building would be nice but a great club is about great families and adults. Now that we have news lets focus on what we can do. We can improve on our design and planning, polish up the old club the best we can and keep on making this club such a great place for children, teenagers, adults and families.

Be a Part of a Breaking a Guinness World Record this Saturday 3pm and Help Raise Money for Cancer Research

Garrin Bailey (all around good guy) will be attempting to break the world record for most hugs given in a minute. The current record is 79 hugs in one minute and is held by Krishna Kumar from Hyderabad, India. <http://www.guinnessworldrecords.com/world-records/most-hugs-given-in-one-minute-by-an-individual>

Garrin is looking to go over 100 hugs in a minute.

Come down to the club to be part of a new world record this Saturday at 3pm. Garrin is also using this event to help raise money for Melanoma Cancer Research. Each participant is asked to donate \$10 to this very important cause. For more any questions please contact [Garrin Bailey](#)

Mentone LSC Sponsorship Opportunities

We are already working on the 2017/2018 and looking to connect with potential sponsors well in advance of next season.

If you own, work for, or think of a business that can benefit from having a connection with Mentone Lifesaving, we would like to discuss sponsorship for 2017/2018.

Sponsorship at Mentone LSC is a great investment for businesses with over 500 nippers in the 2016/2017 season, that is a lot of families that you could potentially reach each week through email, on our website, on our FaceBook page, Club and more.

This is a very exciting time for our club and we are looking forward to seeing our Seniors compete in the Mentone LSC club colours. This change will also given Mentone LSC more of an opportunity to get involved in IRB, Water Safety and officials for Senior Carnivals.
